Tribute to Mrs. E.A. Babson

At a special meeting of the board of children's guardians held at its offices, in the Gunton building, Thursday night resolutions were adopted in eulogy of Mrs. Eliza A. Babson, deceased, the late secretary of the association. This tribute was furnished to the members of the family and to the Commissioners, and recites that the board, in special meeting assembled, declares that "In her death it suffers the loss of a faithful, efficient and sympathetic member. She was at all times willing and anxious to further the great objects of the board's work in behalf of unfortunate children and contributed liberally of her time and talent towards its success.

"A faithful attendant at the regular meetings of the board and its committees, she visited the office frequently between meetings to render additional service in its work. Her mainspring of action was 'service to others.' Her ever-cheerful presence will be greatly missed by the members of the board, who hereby tender their sympathies to the family of our departed friend."

Those present at the meeting were B. Pickman Mann, president; Thomas E. Sewell, J.B.T. Tupper, Miss Ella Moore and John Wesley Douglass.
