### **Tribute to Dead Associate**

The clerks in the general land office met yesterday to take action upon the death of George H. Cline, for twenty-eight years an employee of the general land office, who departed this life Wednesday last. Resolutions were adopted setting forth that the deceased had always been faithful to the trust imposed in him by his official superiors, untiring and energetic in the performance of his duties, attentive and obliging to the public, courteous and kindly to his fellow employees, and had won the respect and confidence of all with whom he came in contact, and the friendship and love of his associates.

It was also set forth that in his death the office has lost a zealous and valuable clerk, his associates a true and devoted friend and the country a good and loyal citizen, and heartfelt sympathy was extended to his sorrowing family in the hour of their bereavement.

It was decided that a copy of the resolutions be engrossed and presented to his family. The report was signed by Charles C. Norton, John McPhaul and Jennie L. Munroe, committee.
