A Death-Bed Marriage

Connected with the death of Senor Don Luis de Podestad y Pinheiro, the third secretary of the Spanish legation, announced in The Star yesterday, was a sad romance. Senor de Podestad was married on the 9th inst. to Miss Nannie Wright, daughter of the late Hamilton Mercer Wright, of New Orleans, to whom he was deeply attached. When on his death-bed he intimated a desire to have Miss Wright bear his name and the marriage was performed at his bedside by the Rev. Dr. Brown.
